

En Pointe Announces Close of Private Placement of \$9.3 Million for firstsource.com Subsidiary

El Segundo, Calif., July 28, 1999 - En Pointe Technologies, Inc. (NASDAQ:ENPT) announced that its internet subsidiary, Purchase Pointe, Inc. dba firstsource.com, a leading online business-to-business solutions provider of business products and services, has completed a private placement valued at just over \$9.3 million. Company officials were pleased with the response to the subscription offering.

"Under the leadership of Joe Cox, Chief Operating Officer of firstsource.com, and his team, the proceeds will be used to expand our subsidiary's sales and marketing program, for its new product development, and for its research and development efforts," said Bob Din, Chief Executive Officer of En Pointe.

About En Pointe Technologies, Inc.

En Pointe Technologies, Inc. is a national business-to-business e-commerce provider of IT products and value-added services, using proprietary and non-proprietary software and systems to drop-ship materials, repair and operation ("MRO") products to its customers through an electronically linked network of the largest allied distributors in the U.S. This software allows En Pointe to serve as an electronic clearinghouse of computers and computer related products without many of the risks and costs associated with maintaining inventory. En Pointe offers its customers direct on-line access to 70% of the mainstream PC products. En Pointe Professional Services offers "total solution" system consulting services such as: pre-sale consulting, design, training, customization and integration.

En Pointe is represented nationally with a concentration in more than 20 sales and service markets throughout the United States, as well as a value-added ISO 9002 certified integration facility in Ontario, California. Visit En Pointe at www.enpointe.com.
