

## **En Pointe Technologies, Inc. Responds to Recent Lawsuits**

LOS ANGELES, March 9 /PRNewswire/ -- En Pointe Technologies, Inc. (Nasdaq: ENPT - news) and certain current and former officers and directors have recently been named in several lawsuits relating to trading in the Company's stock. Accordingly, the Company has retained outside counsel in connection with the defense of these suits.

"The company believes these allegations are without merit," said Mike Shabazian, President of En Pointe Technologies, Inc. "As any public company can be, En Pointe is a target for such law suits. We as a company must keep these matters in perspective and not permit it to distract us from our operational and strategic objectives." Shabazian continued: "The management team and field personnel continue to focus on the core business and executing against En Pointe's growth strategy. Our on-going commitment to deliver shareholder value remains foremost in our minds and we will not be distracted nor deterred from that end."

This document contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. In addition, from time to time, En Pointe Technologies, or its representatives, have made or may make forward- looking statements, orally or in writing. The words "estimate", "project", "potential", "intended", "expect", "believe" and similar expressions or words are intended to identify forward-looking statements. Such forward-looking statements may be included in, but are not limited to, various filings made by the Company with the Securities and Exchange Commission, press releases or oral statements made with the approval of an authorized executive officer of the Company. Actual results could differ materially from those projected or suggested in any forward-looking statements as a result of a wide variety of factors and conditions. Reference is hereby made to the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2000, for information regarding those factors and conditions.
