

En Pointe Technologies Completes Acquisition of Tabin Corporation

Los Angeles, CA – October 11, 2002 – En Pointe Technologies, Inc. (NASDAQ:ENPT), a leading national provider of information technology products and services, today announced that it has completed the acquisition of the assets of Tabin Corporation, a Chicago-based regional reseller of technology products and services. En Pointe acquired certain tangible and intangible assets including inventory, fixed assets and customer relationships. En Pointe has also hired approximately 40 of Tabin Corporation's employees, including virtually all of their sales and service personnel.

"We continue to be excited about having the very talented and experienced sales, service and management personnel of Tabin Corporation join the En Pointe team," said Bob Din, President and CEO of En Pointe Technologies, Inc. "I firmly believe that Josh Tabin and his team of motivated and highly-qualified people will make an immediate and positive impact upon En Pointe, particularly in the Chicago and Milwaukee areas, which represent one of the largest marketplaces for PC products and services in the United States."

Tabin Corporation was formed in 1996 with the goal of becoming the premier Chicago-based business technology solution provider. Since its founding, Tabin Corporation has grown rapidly serving its customers in Chicago and Milwaukee along with several other cities in the U.S. In 2000, Joshua Tabin, founder, chairman and CEO of Tabin Corporation, was awarded the Chicago-Area Entrepreneurship Hall of Fame Award.

"The Tabin Corporation team is very excited about joining En Pointe," said Joshua Tabin, Chairman and CEO of Tabin Corporation. "I believe that En Pointe's nationwide coverage combined with its broad suite of tools and comprehensive use of technical systems such as SAP, AccessPointe and Clarify will give us a solid edge in a very competitive marketplace and will allow us to bring these benefits to our current and potential customers."

About En Pointe Technologies, Inc.

En Pointe Technologies, Inc. is a national provider of information technology products, e-business solutions and professional services to medium and large commercial customers and government and educational accounts of all sizes. A state-of-the-art e-commerce network electronically links En Pointe, via AccessPointe™ and its back-office business systems, to the largest distributors and manufacturers in the industry.
