

Elite 800 G1 AIO Touch Desktop

Overview

The HP EliteOne 800 G1 All-in-One is our most dominant, multimedia-rich business all-in-one featuring a new thinner and fully serviceable design.

Stylish efficiency from edge to edge

Turn the anterior room into the outlet, and enhance the space of your back room as well along with the slim, sleek glass across a 23-inch diagonal screen, and this all-in-one PC move almost anywhere.

Fast-track your performance

Rapidly open new files and switch applications with less wait time thanks to solid-state drives and along with solid-state hybrid drive options. You can get the newest processing technology with a choice of 4th generation Intel® Core™ processors.

Connect up to four displays, with using digital DisplayPort with multi-stream and optional discrete graphics card.

Intel® Smart Response Technology (SRT), a disk cache solution, delivers similar performance associated along with Solid State Drives and while retaining the data storage volume of today's large Hard Disk Drives.

Experience the simplicity of touch

Delight users with the intuitive control of an optional 10-point capacitive touchscreen that makes the most of Windows 8. Rotation sensors let you see what's on screen as it was meant to be showed by revolving from landscape to portrait.

The hub of your mobile world

You can speed up the charging with fast recharging USB port. The nearly 2.8x solidier charging current helps compatible devices charge faster than regular USB 3.0 ports.

System Specification

Windows 7 Professional 64 (available through downgrade rights from Windows 8 Pro). Intel® Core™ i5-4570S with Intel HD Graphics 4600 (2.9 GHz, 6 MB cache, 4 cores).
