

Lenovo® recommends Windows® 7 Professional.

THINKPAD T SERIES

GREAT IDEAS THAT BREAK BARRIERS OF PERFORMANCE.

THE LENOVO THINKPAD® T410 AND T510 NOTEBOOKS

The ThinkPad T Series represents a complete lineup of innovative thin and light notebooks and is designed to enhance productivity, durability and connectivity. ThinkPad T Series notebooks are equipped with the new Intel® Core™ i5 and i7 processors and offer a full range of technologies that include Solid State Drives (SSDs), an integrated 2MP camera, DDR3 memory modules, more ports than previous generations and a wider touchpad with improved ergonomic features.

ThinkPad T410 and T510 notebooks are engineered with Lenovo's Enhanced Experience for Windows® 7, which means faster start-up and shutdown times than systems without Enhanced Experience, along with increased productivity for businesses with new hardware and software innovations. The spill-resistant keyboard, ThinkVantage® Client Security Solution with integrated Fingerprint Reader and SmartCard support are other innovative features that give these notebooks unmatched durability and security.

ThinkPad notebooks are also environmentally responsible and are EPEAT™ Gold qualified. The ThinkPad T Series models enjoy worldwide, round-the-clock service and support. They also come with industry-leading warranties and optional services like ThinkPad Protection.

CUTTING-EDGE TECHNOLOGY

The ThinkPad T410 and T510 are power packed with:

- Enterprise-class thin and light form factor
- Lenovo's Enhanced Experience for Windows® 7
- Improved ThinkPad keyboard and multitouch touchpad
- Enhanced fingerprint reader
- Enhanced VoIP Experience
- All-day computing with optional Slice Battery

HIGHER EXPANDABILITY

The ThinkPad T410 and T510 support a large choice of ports and slots for additional expansion, including:

LENOVO ENHANCED EXPERIENCE FOR WINDOWS® 7. FAST. SECURE. BUILT FOR BUSINESS.

Discover a better way of doing business with the new Lenovo Enhanced Experience for Windows® 7 on Think-branded PCs. Faster, more durable and greener Think-branded PCs are optimized for Windows® 7 to deliver improved ease of use. It enhances productivity and foolproof security that your business cannot do without.

- Next generation Mini Dock expansion
- Slice battery through docking connector
- Dedicated 34mm ExpressCard slot and 5-in-1 MMC Reader
- Additional USB ports and USB/eSATA Combo port
- Optional contact or contact-less SmartCard reader

UNCOMPROMISED PERFORMANCE

The ThinkPad T410 and T510 combine the highest performing:

- Intel® Core™ i5-M and i7-M processors with Intel® vPro™ technology
- Genuine Windows® 7 Professional
- NVIDIA® 256MB and 512MB graphics
- SSDs, 2.5" HDDs with encryption, WLAN and WWAN
- Gobi™ is the embedded choice for mobile broadband technology that connects your notebook to the Internet via leading 3G networks around the world

ENVIRONMENTALLY RESPONSIBLE

The ThinkPad T410 and T510 support the following environmental standards with:

- The most energy-efficient features
- EPEAT™ Gold qualified
- ENERGY STAR™ compliant
- New power management utility and enhanced features for lower power consumption and improved battery life

SERVICE OFFERINGS

PRODUCTIVITY, PERFORMANCE AND SECURITY

THINKPLUS SUPPORT SERVICES

ThinkPlus® Priority Support

A single, comprehensive service plan to help reduce overall helpdesk costs and free up internal IT resources. 24x7x365 priority call routing to advanced-level technicians, software support and IT management tools let IT staffs focus on more strategic projects.

ThinkPlus Warranty

Base warranty extensions prevent costly out-of-warranty repairs. Warranty upgrades provide a higher-level service at any time during your warranty period. Convenient award-winning support with peace of mind.

THINKPLUS PROTECTION SERVICES

ThinkPad Protection (Accidental Damage Protection)

ThinkPad Protection covers damages not covered under warranty and provides unlimited repairs and/or system replacement in the event of accidental damages, drop and electrical surges.

Lenovo Online Backup

Lenovo Online Backup is a secure, offsite data encryption and storage solution that protects your business files and allows you to restore them via an Internet connection. Available in 10GB, 25GB, 50GB or unlimited storage options. Simple. Online. Secure.

Hard Disk Drive Retention

If a hard disk drive fails and it is still covered under warranty, rather than returning the defective part, Hard Disk Drive Retention lets you keep your old drive and hold on to your data.

ThinkPlus Secure Business (bundle)

Protects your ThinkPad and secures your data with an all-in-one solution—ThinkPad Protection, Lenovo Online Backup and Next Business Day Warranty Upgrade—all for one low price. Available in 1-year or 3-year term.

THINKPLUS ENTERPRISE SOLUTIONS

Contact your Lenovo Services Sales Executive for more information and assistance with customer proposals.

Asset Recovery Service

A convenient end-to-end solution to manage retiring assets. Lenovo provides single source accountability and manages the process from environmentally-responsible asset disposal and recycling to secure data destruction and disk wiping. Quick. Easy. Green.

Custom Imaging Services

Lenovo provides image creation, image management and image deployment services. Lenovo imaging services are proven to lower customer costs, support faster image deployment, reduce end-user downtime and post-deployment errors.
