THINKPAD X100e  
LAPTOP

## WE PACK A LOT INTO 11.6".

### THE PROFESSIONAL-GRADE LENOVO THINKPAD® X100e MAY SEEM SMALL, BUT IT'S LOADED WITH BIG-BUSINESS THINKING.

The new Lenovo ThinkPad X100e is an entry ultraportable that is ideally suited for Large Enterprises (LE), educational institutions and Small and Medium Businesses (SMBs). The X100e is an affordably priced professional-grade ultraportable, designed for usability and portability. It offers reliability, ease-of-use and manageability features that provide the utmost computing experience. Help your business scale new heights with the latest corporate operating system preloads and award-winning Lenovo services.

The professional-grade ThinkPad X100e is globally available and offers corporate operating system support. ThinkVantage® Technologies (TVTs), reliable hardware and extended warranty options address your key IT needs and offer higher returns on your investment.

Offering a new industrial design, the ThinkPad X100e laptop is the latest addition to the ThinkPad family of business laptops and comes in a choice of Heatwave Red – Smooth or Midnight Black – Smooth. Strain-free typing and navigation are now possible with the ISO full-size, spill-resistant keyboard and UltraNav® (TrackPoint® and multi-gesture touchpad). The X100e entry ultraportable with Vision Pro technology from AMD also offers amazing picture quality with a high-definition 11.6" widescreen (16:9 aspect ratio), 1366x768 resolution display. In addition, powerful AMD processors deliver a complete PC experience with energy-efficient performance.

Weighing less than 3 lb with a 3-cell battery, the sleek X100e entry ultraportable offers up to of battery life. The small-footprint laptop has multiple connectivity options for easy data access. The ThinkPad X100e makes working on-the-go convenient and pleasurable with its highly portable design.

The ThinkPad X100e combines stylish looks, legendary ThinkPad reliability, corporate features and commercial warranties at an affordable price and gives you amazing value for your money.

VISION Pro Technology from AMD helps improve productivity through business applications that look and perform great, helps reduce maintenance headaches and get the most out of your IT budget.
