

# En Pointe's BPO Division, Ovex Global, Wins Multi-Year Contract for Desktop Management Services

Tuesday April 10, 8:30 am ET

LOS ANGELES, April 10 /PRNewswire-FirstCall/ -- En Pointe Technologies, Inc. (Nasdaq: [ENPT - News](#)), a leading national provider of business-to-business information technology products, services and solutions, today announced a multi-year contract award from a Northern California customer. En Pointe's business process outsourcing (BPO) division, Ovex Global has successfully started the implementation.

The Northern California based customer's contract encompasses patch management, asset management, software distribution and contract compliance, application support, virus remediation, and remote control take over and monitoring. This service allows our middle market customer to take advantage of the Ovex on-demand IT services business model, realizing immediate benefit and significant cost savings.

"I am very pleased with the speed that the Ovex team was able to implement this deal utilizing our Globally Optimized Delivery Model for outsourced IT services," noted Bob Din, En Pointe's CEO.

"Our unique combination of SAAS (software as a service) toolsets and 13 years experience in delivering quality Information Technology solutions is a winning combination for the medium sized companies we are servicing," remarked Kevin Schatzle, SVP of Sales and Services responsible for Ovex Global.
