

# En Pointe Gov, Inc. Approved for McAfee SmartBUY Program

Federal Agencies can buy FIPS 140-2 certified protection solutions from En Pointe Gov

**Los Angeles, CA, July 20, 2007**— En Pointe Gov, Inc. (“En Pointe Gov”) a wholly-owned subsidiary of En Pointe Technologies, Inc. (NASDAQ: ENPT), today announced that it has received a Letter of Supply to sell McAfee SmartBUY products on its GSA schedule to the Federal government.

En Pointe Gov is pleased to offer McAfee's Award Winning Anti-Virus Product Solutions through GSA's SmartBUY program. McAfee SmartBUY is the only government-approved FIPS 140-2 certified protection solution. McAfee SmartBUY assists federal agencies in complying with OMB requirements and is also the OMB-approved and preferred method of procuring system protection.

"En Pointe Gov plans to leverage its expertise and deep understanding of security issues to provide solutions for public entities." said Bob Din, CEO of En Pointe Technologies, Inc. "We believe that our unique value-add capabilities, including our E-Business infrastructure and nationwide footprint, will successfully uncover new opportunities for McAfee products within the numerous agencies of the U.S. Government."

En Pointe Gov currently has over 15 manufacturers on its GSA schedule.

Federal Agencies can visit [www.enpointegov.com](http://www.enpointegov.com) to shop online or to view the list of products on the GSA schedule. To see McAfee SmartBUY catalog, you can go directly to: <http://www.enpointegov.com/smartbuymcafee>.

## **About En Pointe Technologies, Inc.**

En Pointe Technologies, Inc. provides the information technology marketplace, including mid-market and enterprise accounts, government agencies, and educational institutions nationwide, with computer hardware, software, information security, and managed and professional services. This document contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. In addition, from time to time, En Pointe Technologies, or its representatives, have made or may make forward-looking statements, orally or in writing. The words "estimate," "project," "potential," "intended," "expect," "anticipate," "believe" and similar expressions or words are intended to identify forward-looking statements. Such forward-looking statements may be included in, but are not limited to, various filings made by En Pointe with the Securities and Exchange Commission, press releases or oral statements made with the approval of an authorized executive officer of the Company. Actual results could differ materially from those projected or suggested in any forward-looking statements as a result of a wide variety of factors and conditions. Reference is hereby made to En Pointe's Annual Report on Form 10-K for the fiscal year ended September 30, 2006 for information regarding those factors and conditions. Among the important factors that could cause actual results to differ materially from management's projections, estimates and expectations include, but are not limited to: changing economic influences in the industry; dependence on key personnel; actions of manufacturers and suppliers; and availability of adequate financing. Readers are cautioned not to place undue reliance upon these forward-looking statements that speak only as of the date of this press release. En Pointe undertakes no obligation to update publicly any forward-looking statements to reflect new information, events or circumstances after the date of this press release or to reflect the occurrence of unanticipated events.
